RESOLUTION 2017/02

## DIVERSITY AND INCLUSION

**Whereas** a society that promotes diversity and inclusion in the community-at-large is in a better position to prosper intellectually, culturally and economically; and

**Whereas** in 2008 the Ministry of Education, Recreation and Sport implemented an Ethics and Religious Culture program whose ultimate goal is to prepare students to live in a pluralistic and democratic society; and

**Whereas** since the launch of the Quebec Federation of Home and School Associations Inc. in 1944, this organization has consistently upheld its policy of diversity and inclusion through its Constitution: to maintain a non-partisan, non-commercial, non-racial, and non-sectarian organization; and

**Whereas** in 2013 the Quebec Federation of Home and School Association Inc. upheld this constitutional principle in its brief to the Government of Quebec on *Bill 60: Charter affirming the values of State secularism and religious neutrality and of equality between women and men, and providing a framework for accommodation requests*

**Therefore Be It Resolved** that the Quebec Federation of Home and School Associations Inc. and its local associations continue to support and promote a policy of diversity and inclusion in all of its activities at home, in the school and in the wider community.
